10:00am-10:15am: Welcome

10:15am-11:30am: The Studio Experience (Scott Campbell and Kari Daly, University of Connecticut)

- What is Studio supposed to feel like? How should it operate? In this workshop, instructors will participate as students in a studio session and complete a short Studio activity. Instructors should sign up for a free account with Canva.com prior to the workshop. Please also have ready a copy of either an assignment or your syllabus.

11:30am-12:00pm: Designing Studio Activities

- Time to try your hand at designing activities! In this workshop, instructors will be given some time in groups to reflect on their Studio experience and brainstorm activities that they might use in their own Studio sessions.

12:00pm-12:30pm: LUNCH

12:30pm-1:45pm: Designing A Course Inquiry (Kari Daly, University of Connecticut)

- What is a course inquiry and how do we go about creating one? In this workshop, participants will be given a short presentation on the elements of a course inquiry, then we will break into groups to work on our course inquiries for the coming academic year.

1:45pm-2:00pm: Closing Remarks
