1. sign up or sign in
2. search terms: infographic, mind map, storyboard
3. choose a template or build from scratch

4. match your information to graphic and textual forms

experiment

play

settle on draft version

tips: "t" opens a text box
crown = not free
embrace the awkward
don't be finicky

5. complete a draft

share and discuss

what works? what's missing? what could be better, different?

consider the rhetorical effectiveness of what you've created
